

1. [Networked Digital Library of Theses and Dissertations \(NDLTD\)](#)

La Biblioteca Digital en Red de Tesis y Disertaciones es una organización internacional dedicada a promover la creación, uso difusión y preservación de tesis y disertaciones en formato electrónico (ETDs).

Su catálogo colectivo contiene más de un millón registros de tesis y disertaciones de instituciones y consorcios a nivel internacional.

La búsqueda se realiza con [Scirus ETD Search](#)

The screenshot shows the NDLTD website interface. The header includes the NDLTD logo and the text "NETWORKED DIGITAL LIBRARY OF THESES AND DISSERTATIONS". Below the header, there are navigation links: "Encuentra las TE", "Enviar DPV", and "Gestione DPV". The main content area is titled "SCIRUS ETD Search" and features a "Basic Search" section with a search box and a "Search" button. Below this is an "Advanced Search" section with multiple search criteria dropdowns, including "All of the words", "AND", and "in The complete document". There are also filters for "Only show results published between" (1900 and 2012) and "Only show results in" various subject areas like Agriculture and Biological Sciences, Chemistry and Chemical Engineering, etc. The left sidebar contains a menu with items like "INICIO", "ACERCA NDLTD", "NOTICIAS", "EVENTOS Y RECONOCIMIENTOS", "RECURSOS", "ÚNETE NDLTD", "ÚNETE A LA LISTA DE CORREO ELECTRÓNICO NDLTD", and "CONTACTO NDLTD". At the bottom of the sidebar, there are social media links for Twitter and Facebook, and a language selection dropdown.

2. [Open Access Theses and Dissertations \(OATD\)](#)

OATD recopila tesis de grado en acceso abierto y tesis publicadas en todo el mundo. Los Metadatos proviene de [más de 600 colegios, universidades e instituciones de investigación](#) . OATD de momento incluye alrededor de [1,5 millones de tesis y disertaciones](#).

Open Access Theses and Dissertations

Advanced research and scholarship. Free to find, free to use.

The screenshot shows the Open Access Theses and Dissertations search interface. It features a search box with the query "strategic* marketing model*" and a "Search" button. Below the search box, there are filters for "in any field", "written in any language", and "from any date". There are also options to "Join search terms with: Our best guess" and a checkbox for "Only ETDs with Creative Commons licenses". The "Results per page" is set to 30. A "New Search Builder" section is visible, showing a table of search results:

Num	Search	Hits	Re-run	Add to builder
4	strategic* marketing model*	408	Re-run	Add to builder
3	*.*	1553812	Re-run	Add to builder
2	strategic* marketing model*	408	Re-run	Add to builder
1	strategic* marketing model*	408	Re-run	Add to builder

Below the table, there is a "New Search Builder" section with a text box for "Click 'Add to builder' links in search history" and a "Go" button.

3. [DIALNET](#): es un portal de difusión de la producción científica hispana que, de una manera abierta y gratuita, ofrece a investigadores y usuarios en general un servicio de noticias y alertas bibliográficas de sumarios de revistas y un servicio de búsqueda en el que se pueden localizar tesis de universidades españolas.

The screenshot shows the Dialnet plus search interface. The header includes the Dialnet plus logo and navigation links: "Buscar", "Revistas", "Tesis", "Congresos", "Autores", and "Registrarse". The main content area is titled "Buscar tesis doctorales" and features a search box for "Términos de la búsqueda". Below the search box, there are filters for "Buscar por" (Todo), "Materia", and "Año inicial" and "Año final" (both empty). There is also a checkbox for "Textos completos" and a "Idioma" dropdown set to "Todos". A "Buscar" button is located below the filters. The results section is titled "Tesis de universidades" and lists two results: "Universidad Autónoma de Madrid (ver con texto completo)" and "Universidad Carlos III de Madrid (ver con texto completo)".
