

CALL REQUIREMENTS

Call Title: Call for the recruitment of research staff for the BBDADA Project: Development of an intervention program for infants under 3 years of age, mediated by parents, incorporating cultural factors, providing emotional support, and addressing core characteristics of autism through specific interventions

Contact person: Ph. José Luis Cuesta Gómez

Department: Education sciences

Category: ☒ Researcher

☐ Others

Workday: ☐ Full time

☒ Part time (10 h. / week)

Aim: The purpose of this call is to recruit research staff to contribute to the BBDADA Project. The project aims to design, implement, and evaluate an early intervention program for infants under the age of three, mediated by parental involvement. The program will take into consideration cultural factors, provide emotional support to families, and address the core characteristics of autism through targeted and evidence-based strategies

Requirements of the candidate: Degree in Early Childhood Education

Duration: Until 31 August 2027

Gross monthly remuneration: € 584 gross per month (12 monthly payments)

Application submission deadline: The deadline for submitting applications will be four working days from the day following the publication of this call for applications on the University's electronic notice board.

Documents to be provided:

- Valid copy of their DNI or equivalent
- University degree.
- Curriculum Vitae.
- Certificate of employment.
- Any other documentation that can accredit the criteria required in the call for applications.
