

CALL REQUIREMENTS

Call Title: CONVOCATORIA PARA LA CONTRATACIÓN DE PERSONAL TECNICO DE APOYO ADSCRITO AL PROYECTO "Educación STEM mediante laboratorios virtuales interactivos (STEM-V): diseño y evaluación de App educativa basada en procesos indagatorios" (CALL FOR RECRUITMENT OF SUPPORT TECHNICAL STAFF FOR THE PROJECT "STEM education through interactive virtual laboratories (STEM-V): design and evaluation of an educational App based on inquiry processes")

Contact person: Jesús Ángel Meneses Villagrà

Department: Departamento de Didàcticas Específicas (Department of Specific Didactics)

Category: Researcher

Others

Workday: Full time

Part time

Aim: The purpose of this contract is to perform the functions of: Video game programming, Software design, 3D modelling

Requirements of the candidate:

General requirements

- Be at least sixteen years of age and not have reached the legally established retirement age.
- Not suffer from any illness or be affected by any physical or mental limitation that is incompatible with the performance of the corresponding duties. The proposed candidates must undergo a medical examination by the Prevention Service contracted by the University of Burgos.
- They must not have been dismissed, by means of disciplinary proceedings, from the service of any of the Public Administrations, nor be disqualified from the performance of public functions.
- Nationality: Spanish nationals and nationals of Member States of the European Union may participate in this call for applications, who will enjoy the same treatment and the same effects as Spanish nationals. These provisions shall also apply to nationals of those States to which, by virtue of International Treaties concluded by the European Union, the free movement of workers is applicable in the terms defined in the Treaty establishing the European Community. This contract shall not be subject to conditions or requirements based on nationality. This possibility will always be understood to be conditional on applicants of non-European Union nationality being in Spain in a legal situation, being holders of a document that enables them to reside and to have unrestricted access to the labour market or that they can obtain a work permit or an exception to the permit.
- Qualification: To be in possession of the qualification required in the specific requirements, or proof of having paid the fees for its issuance.
- Not be subject to any of the prohibitions for obtaining the status of beneficiary set out in article 13 of Law 38/2013, of 17 November, General Law on Subsidies.

Specific requirements

Those who meet the following requirements may apply for the place:

- Degree in Computer Engineering.
- Be enrolled in the master's degree in communication and multimedia development.

Duration:

- The contract to be performed will be for a specific work or service linked to this project and will have an initial duration of 5 months. This remuneration shall include the pro-rata payment of extra pay and may be reviewed in the light of the results obtained.
- In no case may the contract be extended beyond the date foreseen for the end of the project (31/08/2024) unless the project is extended.
- The contract is conditional upon the existence of adequate and sufficient credit in the aforementioned project.

Gross monthly remuneration: - The financial endowment of each contract will initially be €3,500 gross, distributed over the duration of the contract (with a gross monthly remuneration of €500). This amount will include all the costs generated by each contract, which will include salary, employer's social security contributions, prorated overtime payments and any compensation that may be due.

Application submission deadline: Applications must be submitted within seven working days from the day following the publication of this call for applications on the University's Electronic Bulletin Board. They shall be submitted through the Electronic Headquarters of the University of Burgos, at the General Registry of the University (C/ Juan de Austria 1 09001 Burgos), Auxiliary Registries of the University of Burgos or by any of the procedures established in article 16.4 of Law 39/2015, of the Common Administrative Procedure of Public Administrations, addressed to the principal investigator or head Jesús Angel Meneses Villagrà of the Department of Specific Didactics.

For applicants who choose to submit their application at a registry other than that of the University of Burgos, it will be necessary to send the application, once registered, to the person in charge indicated above, to the email inves.personalcontratado@ubu.es, within two days of submission.

Documents to be provided: Applications must be submitted within the established deadline and accompanied by the following documentation:

- Copy of valid National Identity Card or equivalent.
- Curriculum Vitae
- Copy of the qualification requested in the call for applications.
- Academic certificate of the required qualification.
- Enrolment in the master's degree requested in the specific requirements.

The merits claimed by the interested party must be duly justified at the time of submission of the application.
