

CALL REQUIREMENTS

Call Title: EU Project Manager

Contact person: Rocio Barros García

Department: ICCRAM

Category: Researcher

Others

Workday: Full time

Part time

Aim: ICCRAM-EST is offering a new position as International Project Manager to match the current growth of the Center. The candidate will work within the Project Management team to support researchers to coordinate R&D projects (mainly H2020, Horizon Europe and DIGITAL).

Requirements of the candidate:

- Background in biotechnology, molecular biology, environmental science and sustainability.
- PhD in the related areas Biochemistry, Biotechnology, Environmental Science, Biology, and Engineering.

Duration: 1 year with extension possibilities linked to funding availability

Gross monthly remuneration: 2500

Application submission deadline: October 21, 2022

Documents to be provided:

- Copy of the N.I.F., N.I.E. or copy of the valid passport, the latter only in the case of foreign citizens who are not resident in Spanish territory.
- Curriculum Vitae. To be completed using the curriculum vitae in standard Curriculum Vitae (CVN) format. Vitae (CVN) via the website <https://cvn.fecyt.es/> or Europass CV.
- The merits claimed must be duly justified at the time the application is submitted. Otherwise, they will not be taken into account.
- Photocopy of the doctoral degree or academic certification, with an express indication of the date on which it was obtained. In the event that the degree was obtained abroad, a sworn declaration of the veracity of the documentation provided must be attached.
- Any other documentation that can accredit the criteria required in the call for applications
