

Bachelor of Science Own Degree in Commercial Pilot for Passenger and Cargo Transport

Degree Presentation

- Three Academic Courses to be able to work as pilots with an official international flight license on regular airlines and work on ground positions thanks to the competences acquired.
- The Degree qualifies graduated students with a European EASA Airline Transport Pilot Licence ATPL and a Bachelor of Science Degree -BSc Commercial Pilot-.
- FLYBY AVIATION ACADEMY.
 - » Regulated under the European Aviation Authority EASA.
 - » Comes with Burgos University to create the perfect combination of flight training excellence and higher education.
- National and international projection.
- Highly valued by airline management and aviation recruitment.
- The Degree bears the recognition of an Academic Institution with recognized Prestige ([UBURANKING](#)).
- Senior professors and certified personal by the European Union Aviation Safety Agency EASA will integrate the academic team supporting the lectures of the Degree ECTS.
- 51 subjects: 204 ECTS (112 ECTS are compulsory training, 83 ECTS are basic training and 9 ECTS correspond to the Bachelor Thesis (BT)).
 - » In the first academic course, contents will endorse specific Integrated Airline Transport Pilot License (ATPL) subjects and flight instruction practices.
 - » In the second academic course, contents will endorse remaining ATPL subjects and air navigation subjects. Moreover, flight instruction will continue being a relevant portion of activities.
 - » In the third academic course, students will complete their competences and skills by attending a wide range of aeronautical subjects, simulator sessions and flight instruction tutorials.
- Lectures will take place in the university facilities whilst instrumental activities, flight simulator training (Airbus A320 and Boeing 737) and flight instruction will take place at the Burgos Airport. FlyBy has a modern fleet of 27 aircraft suitable for flight training.
- Working hours: The approved ATPL Integrated phase of the program combined with the classroom training at Burgos University comprises of at least 1762 hours of theoretical knowledge and 278 hours of practical flight training.

• **Price: € 89.500**

Inclusions

- All 14 EASA Ground exam fees for ATPL exams in Burgos International Airport (1 try per subject).
- EASA Flight skill tests: CPL, ME/IR and PBN.
- Landing fees.
- Pilot Uniform.
- Study material.
- Bristol Ground School (2 years).
- Jeppesen.
- Training material.

Requirements

- Be at least 17 years of age to apply (18 to commence training).
- Be able to obtain an EASA Class 1 medical without restrictions. To be taken upon arrival to Spain.
- Mandatory: Passing our admission tests which include Personality, English, Mathematics and Physics.
- Completed secondary or high school education.
- English Language Skills.

Professional Opportunities

- Passenger and Cargo Pilot in National and International Airlines.
- Ground Personnel Positions (Aircraft design, Maintenance, Management, etc.).
- Operations Personnel.
