LISTEN TO THE DEMANDS
OF OUR CLIENTS

Know more about us?

We control the product from its origin to its distribution in the European market, in the major supermarkets, wholesalers, retailers and the catering business by means of logistics which optimize and guarantee the quality of both processes and products.

Production Process

WE AIM FOR TOP QUALITY AND OUR PRIORITY IS OUR CLIENT

We have a high degree of specialization

Gambafresh has a prestigious reputation in the sector of cooked seafood and is leader in the market for their quality and flavour.

The manufacturing process complies strictly with international health and security regulations.

Sustainability

A TRUE COMMITMENT TO THE ENVIRONMENT

Aquicultura Responsável ASC

In 2015 we were awarded the ISO.14.001 certificate.

Gambafresh strongly believes that the future of our planet depends on responsible and careful management of our natural resources.

We are committed to sustainability in the chain of value of our product.
