

Wine Route Ribera del Duero. Gumiel de Izán (Spain)

Bodegas Portia

Bodegas Portia is one of the meccas of avant-garde architecture in the heart of Ribera del Duero. It is a truly iconic winery that invites its visitors to experience an unforgettable combination of architecture, art, gastronomy and renowned wines: Roble, Crianza, Prima, Triennia and our Verdejo Rueda.

Located at kilometre 171 of the A1 to Madrid, in the Burgos region of Gumiel de Izán, Bodegas Portia is a winery designed by the prestigious architecture firm Foster & Partners. This singular project, designed by the famous English architect Norman Foster, is an architectural feat in that it creates perfect harmony between impressive aesthetics and functionality.

Opened in 2010, Portia invites you to learn about our wine-making process and offers you a chance to combine our wines with some of the dishes provided by our Triennia Gastrobar, which blends haute cuisine and traditional flavours. Portia receives 20.000 visitors per year.

Bodegas Portia belongs to the Faustino group, this group is a familiar Company of 4th generation. They started in 1861, nowadays they have 7 Cellers in Spain: D.O. Ca. La Rioja, D.O. Navarra, D.O. Cava, D.O. La Mancha, D.O. Ribera del Duero. Grupo Faustino export to more than 100 countries, they are the firsts Group that export Rioja wine "Gran Reserva" around the world.
