<p>OTHER REMARKS</p>	<p>Macerata is located in central Italy, in the Marche region. It rises up on a hill of 313 meters, 30 km away from the Adriatic sea and 60 km from Umbria-Marche Apennines. It is an ideal position that allows students to travel all over the country. The University of Macerata since its foundation in 1290, plays a very remarkable role. It is one of the oldest university in Italy, boasts more than 13.000 students and five Departments to choose from, which are located within the medieval walls of the old centre. Macerata is an art town, with a typical medieval atmosphere and high quality of life. “International”, “young” and “friendly” are commonly-used words to describe this city. The historical centre cultural vivacity invites you to learn something about the past or to enjoy a meal or a drink in a wide choice of cafes and bars.</p> <hr/> <p>- THE APP “ITALIAMO”</p> <p>Before coming to Macerata, students who desire to learn basic Italian and improve their knowledge of the Italian culture could download the app ItaliAmo, created by the Italian Ministry of Foreign Affairs, available at the following link:</p> <p>iOS https://itunes.apple.com/us/app/italiamo/id1341662965?l=it&ls=1&mt=8</p> <p>Android https://play.google.com/store/apps/details?id=com.italia.ovosodo</p> <p>ItaliAmo is interactive, fun and intuitive! The language course is structured as a travel through Italy and its Regions, along with Leo and Lisa, two characters that resemble the well-known Leonardo Da Vinci and Monna Lisa. Each stage consists of four sections: dialogue, phrases, exercises and culture. Nowadays, the App is available only in English and Chinese but later this year it will be translated in other languages.</p> <p>Surely, ItaliAmo is a very useful tool to learn basic Italian before your arrival to Macerata.</p> <hr/> <p><i><u>we are updating our web pages therefore some data may still refer to the current academic year 2019-2020</u></i></p>
