

The Corporate University of Gestamp launches a new #ONE TALENT

Do you want to develop a career as a **SAP FI/CO functional analyst** in the automotive sector? **Gestamp Corporate University** has designed a unique program, which combines depth knowledge training on SAP FI /CO plus a 6 months global internship period at the Gestamp corporate offices in Madrid. This program will be launched at [Gestamp Technology Institute \(GTI - Bizkaia\)](#) next 2018.

At Gestamp, SAP FI/CO Functional Analyst is responsible for analyzing, designing, configuring and maintaining SAP FI/CO areas to meet the needs of Gestamp Group companies.

After the course's completion the student will have a wide range of valuable skills and a solid knowledge base which will allow him/her to:

- Provide specialist level functional and configuration knowledge in designing SAP solutions in the FICO modules of ECC 6.
- Possess a sound knowledge on configuration of master data, GL, AP, AR, Asset accounting and Cash and Bank accounting including new GL accounting, automatic payment programs and closing cockpit.
- Possess a sound knowledge on configuration of cost element, cost center, internal order, product costing, profitability analysis and profit center accounting.
- Understand dependency between FI and CO and other logistics modules.
- Understand configuration dependencies and interrelationships between separate functional modules of SAP and provide financial expertise into the definition and resolution of issues in this area with this knowledge
- Conduct or participate in user requirements gathering, blueprinting & documentation designs.

If you are enthusiast of the automotive sector and are passionate about designing IT solutions for functional function, and you have a Bachelor Degree in Computer Engineering or in Business Administration or Vocational Qualification training in Information Technology or Administration, and your English level is equal or higher than a B2, please **send us your Curriculum Vitae including the reference # INMERSE YOURSELF IN GESTAMP** to GTI@Gestamp.com **#ONE TALENT.**
