APPLICATION PROCEDURE FOR EXCHANGE STUDENTS
incoming to Faculty of ETI at Gdansk University of Technology in Poland
in the academic year 2022/23

1. Basic information

Deadlines:
30 June 2022 - applications for fall/winter semester or entire academic year
15 December 2022 - applications for spring/summer semester

Website for incoming students: https://eti.pg.edu.pl/en/students/erasmus

Faculty Erasmus+ Coordinator: Krzysztof Bikonis, PhD
e-mail: binio@eti.pg.edu.pl

2. Requirements

2.1 Nomination
All students must be nominated by Erasmus+ coordinator from their sending institution by e-mail
(e-mails: binio@eti.pg.edu.pl, pauszume@pg.edu.pl)

2.2 On-line registration
Students applying for exchange must fill out *application form* using on-line registration system:
moja.pg.edu.pl >> Applications >> Erasmus

2.3 Documents
The following documents are required:
* learning agreement for studies
signed by Student and Erasmus coordinator at sending institution,
* transcript of records,
* a copy of certificate confirming fluency in English at B1 level
(certificates issued by Language Centre at universities are accepted)

In order to avoid problems related to frequent changes in programs of studies, please send your learning agreement to be validated (e-mail: binio@eti.pg.edu.pl)

In this situation we work on scans of learning agreements duly signed.
However, we prefer paper versions of documents with original signatures of Students and Erasmus coordinators as well as original stamps of institutions, so please bring such documents with you when you arrive.

3. Available courses

3.1 Bachelor Program in English: Data Engineering

3.2 Master Programs in English:
* Control Engineering and Robotics, specialization Automatic Control
* Control Engineering and Robotics, specialization Decision Systems
* Electronics and Telecommunications, specialization Computer Electronic Systems
* Electronics and Telecommunications, specialization Radio Communication Systems and Networks
* Informatics, specialization Distributed Applications and Internet Services
Please note that many Master Programs begin in summer semester.

3.3 In case of courses listed in the document entitled "Offer of courses in English for Erasmus+ Students", teachers can switch to English when exchange students arrive or they can facilitate studying and assessment in mode of individual tuition in English. The description of courses from this list can be found in course catalogue (see 3.4).

3.4 Course catalogue:
Interactive course catalogue is available at ects.pg.edu.pl
>> Information on degree programs >> Faculties >> Faculty of Electronics, Telecommunications and Informatics ... /choose your type and field of study/... >> study structure

3.5 Please note that selecting courses from other faculties is not recommended. It is possible only exceptionally and with approval of coordinators at these faculties.

3.6 Exchange students, who want to make diploma project at Faculty of ETI, <u>must</u> find a supervisor of their diploma project <u>before</u> we can accept them as exchange students and sign learning agreement. (Faculty website: www.eti.pg.edu.pl, search professors by departments).
The supervisors are asked to send an e-mail with confirmation to the coordinator.
